Subject: FW: Payroll Question

Hi Carol,

I know that you no longer work in the state lab building but I was hoping you would be able to help me out. I am just trying to figure out when my new date is for my step raise and nobody seems to have any answers and is not getting back to me. This has been going on since June 5 (please refer to below emails). I am getting very frustrated and do not understand why it is taking so long for this information. The drug lab is being transferred to the state police at the end of this month and I want this resolved before then. Do you know who Suzana Hebert's supervisor is? Maybe they would be able to give me the answer to this apparently very "difficult" question!

Thanks,

Kate Corbett

Good Morning Kate,

Suzana is doing the payroll for the all lab employee and will need to be the one to answer this question.

Thanks Karen

I have still not received a response regarding when I will be getting my step raise. I want to have this resolved before we are transferred to the state police (which happens at the end of this month!!). I would appreciate if you could look into this and get back to me quickly.

Thanks,
Kate

Hi Karen,

I have not gotten any response from either Cecilia or Sue on when I will receive my step raise. I have sent you the email chain so you can understand what I was asking. If you could get back to me it would be extremely helpful.

Thanks,

payroll office if you do not agree with this. Sue Hebert is the head of payroll and can be reached @ 617-348-5313. The system is running payroll today so I can not see what the new date is.

Thanks
Cecilia

Hi Cecilia,

I never received my step that you said I would get on May 5. Do you know why it has yet to appear in my check?

Thanks,
Kate

Hi Kate,

Your step will be on May 5. You have 1 times your salary for optional life. The max is 8 times your salary. You can change it anytime attached is the form to do that.

Hi Cecilia,

I have a couple questions that I was hoping you could answer. First can you tell me when I will receive my step raise? I know since I was off the payroll [REDACTED] it has changed but I can't figure out when I will receive it. Second, I was wondering if I am able to change my life insurance or do I have to wait until the open enrollment period? Could you also tell me what the maximum is for that and how much I currently have for life insurance?

Thanks,
